### CALL MASS MEETING right of way

N. K. & G. R. Will Make should be understood by every busines man end citizen in the city and county. Proposal to Wichita

OFFICIALS ARE COMING

Meeting This Evening

COMMITTEE HAD MEETING

And Issued Call for Citizens to Meet in Council Chamber

to listen to and consider the proposi- clear up the case. tions to be submitted by the Nebraska Kansas and Gulf Railroad company is being built south from Concordia. Mr. H. L. Resing, secretary of the Commercial club, yesterday received the following letter from George F. gleston against her husband, Christopher Wolfe, assistant to President Redding, of Eggleston, the plaintiff states that the dethe company, at Kansas City-

"Kansas City, Mo., July 5, 1903. "Mr. H. L. Resing, Secretary Commercial Club, Wichita, Kan.:

"Dear Sir;-We are beginning constrution on our line north, and I am pleased to say I will be in Wichita next Wednes day, July 8th, prepared to submit to the city of Wichila and Bedgwick county our proposition as to the aid to be

'Our proposition will contemplate a di-

together for Wednesday evening, so that prompt action can be taken in regard to granted the restraining order as pecalling the necessary elections.

'Owing to the volume of other matters In hand, we have been delayed in submit ting our proposition to you. We wish to get the Wichita and Sedgwick county matters in shape at once, in order not to delay construction of our line south from Our proposition will be liberal. and I trust the people of Wichita and Sedgwick county will not overlook an opportunity to secure for themselves the one strictly north and south line through the state, with its attendant benefits. Very truly yours,

"GEO. F. WOLFE, "Assistant to the President, N., K. & G.

Resing to twenty-live members of the Commercial club and an equal number of members of the Chamber of Commerce for a meeting to be held last night in the Commercial club rooms. A large number of business men attended this meeting, and it was decided to call the mass meeting to listen to the propositions to be submitted by Mr. Wolfe and his essociates. The following call was issued

"To the Business Men of Wichita: "The Commercial club and Chamber o

Commerce have received letters from Geo. P. Wolfe, assistant to the president of the N., K. & G. Ballroad company, called North and South road. Tonight at half-past seven o'clock, in the cou meeting will be held.

"Let every business min be on hand and push this along.

THE COMMERCIAL CLUB,

"By CHAS. G. COHN, Fresident. "THE CHAMBER OF COMMERCE, "By CHAS, L. DAVIDSON, Pres."

The Nebraska, Kansas and Guir Railroad company is to be built from Concordia, Cloud county, on the north line of the state, southeasterly to Wichits, and to the state line, thence in a southeastern direction to Spiro, I. T., on the Kansas City Southern rallway, about thirty niles Ge southwest of Fort Smith, Arkansas Down on the Farm.... Spire is about 250 miles southeast of

The line will pass through the great wheat belt of Kansas, through the coaneids of the Indian territory, and tap the great lumber districts of the neath through its connection with the Kansas

Cny Southern. In Cloud, Saline and Ottawa countter bends have already been voted to aid this road, and the company will submit proposition to Wichita and Sedgwick county to aid in building the line. Wichin is to be made a division point and con siderable money is to be invested in shops and ferminals in this city. company claims that it is ready to begin the work of grading the right of way within the next few days, and have so-

### BABY WEATHER.

Little Fellows Don't Like the Hot Days Mothers should know exactly what

food to give bubles in hot weather With the breiting hat days in July and August the mother of a boby is always anxious for the health of her little one and is then particularly careful in feeding. Milk sours quickly and other food is uncertain. Even in spite of cautien sickness sometimes creeps in and then the right food is more necessary than

"Our buby boy two years old began in August to have attacks of terrible stemach and bowel trouble. The physician said his digestion was very bad and that if it had been earlier in the summer and hotter weather we would surely have

Finally we gave baby Grape-Nuts food, feeding it several times the first food, feeding it several times the first expects to get two or three carloads of the College and Cudality teams will op day and the next morning he seemed harvest hands. better and brighter than he had been for barves; bands many days. There was a great change in the condition of his bowels and in three days they were entirely normal He is now well and getting very strong and fleshy and we know that Grape Nuts saved his life, for he was a very very iii baby. Grape-Nuts food must

cures as this. "We grown-ups in our family will use Grape-Nuts and also Postum in place of coffee with the result that we never any of us have any coffee ills but are well and strong." Name given by Postum Co., Battle Creek, Mich.

The reason Grape-Nots food relieves bowel trouble in babies or adults is be cause the starch of the grain is prodigested and does not tax the bewels, no ferment like white bread, petatoes and

other forms of starchy food. Send for particulars by mail of exten-sion of time on the \$7,500 to cooks contest for 725 money prizes.

The meeting tonight should be well at This is a very important proposition, and should be understood by every business

HAS TOO MANY WATCHES.

Police and Postoffice Inspector Locking for a Young Girl.
Postoffice Inspector Hosford and the

department have been looking for a girl named Baker who has an inclinaion to take letters and packages from the They Will Be in Wichita for postoffice when they do not belong to ner. Sears-Robuck and comapny for a watch. The company sent one to her but this sixteen year old girl got it from the office. The woman who ordered the watch wrote o the company and asked them what the trouble was and they sent her another watch but In a registered package. The girl got the registry notice, took the packages and signed the receipt. Still the woman who wanted a watch did not get less than they were the procding year. er property and sent another letter, this time giving her street address and port of the county which the county elerk she got the watch. The Chicago company is just completing. however had complained to the postoffice. department and inspectors were put on the ty is in good shape financially. mass meeting of citizens has been called fered to settle for the two watches to year ago the total indebtedness of the

### THREATENED TO LEAVE.

Charges Brought Against Husband by Wife.

In an application for a divorce filed in the district court yesterday by Lydia Eg. it was thought best to save the interest fendant threatened to leave her unless she deeded to him a tract of land which was in her name, and that on several occasions he did leave her without cause. Mrs. Eggleston states that she was married to the defendant June 5th, 1881, and that since that time she has conducted herself as a faithful and dutiful wife. Besides. threatening to leave her the plaintiff states that on several occasions the defendant cursed her and was guilty of extreme crucky. She states that four childrect line from Wichita to Omaha and chicago, and the southern cost and lumsorce from the defendant, the custody of Wichita, etc., the line to be built at the children and a restraining order to prevent the defendant from interfering with her or the property in any manner, While the case is pending Judge Date

### ONE YEAR AGO.

ing Station.

One year ago yesterday the Wichita recruiting station was made a permanent institution and since that time over a residment of stalwart young men have been added to Uncle Sams army from this city and the surrounding country. Before that time the recruiting station was temperar-Hy established here with three officers, namely, Captain Willis Uline of the 15th nuntry, recruiting older; J. H. Fordyce, examining officer; and W. P. Beltz, recrulling sargeant. The offic force consists of four officers, Lieutenant Edwards, of the 70th coast artilery, recruiting officer, Dr. J. H. Fordyce, examining officer; W. P. Beltz, recruiting sargeant and Corporat Tucker, clerk. In the past year hunds have been examined for collistment and while over a regiment have been accepted and sent to all parts of the army bundreds have been rejected. Four times during the year the Wichita recruiting station has outranked every recruiting station in the United States with the exception of the stations at New York, Philndelphia and St. Louis.

He stated to the Eagle last night that Pawnes county needed five burdeed more men and be is prepared to take them with him. The farmers are paying two and a half dellars per day and board. Mr. Moffett will be around town until this afternoon when he will take as many men as he can. He

### SNOW ON FOURTH.

W. C. Edwards Has Returned From Alice, Colorado.

President W. C. Edwards returned yesterday from Alice, Colorado, where he has been tooking after his mining interhave wonderful properties to effect such ests. Affect is about 10,000 feet above sea evel, and on the third a deep snow fell. ness of an inch. There is a large glacky stood on the maintain side where, with one hand, he could pick flowers, and with the other snow from the gineler Mr. Edwards is president of the Unit. Gold Mining and Milling company, an while in Alice their new twenty-stam nill was put in operation. Mr. Edward has the first gold brick that issued from the mill. It is small and contains about its worth of pure gold. The Unity company is a Kansas concern, and has many prominent Kansans in it.

# DEBT IS LOWERED

County Indebtedness \$103, 000 Lower Than Last Year

EXPENSES \$14,000 LESS

Indebtedness County Is \$337,000

decreased by \$102,000 and the expenditures These facts are shown by the annual re-

The report shows that the councounty is in good shape financially. One county was \$440,000 compared with the present indebtedness of \$317,000, showing that during the year \$100,000 of the indebtedness was paid off. Of this amoun \$55,000 was for courthouse bonds which it would not have been necessary to pay off until 1908 but us the mancy was on hand which would accru if payment were delay ed until they matured by paying them off The indebtedness of Selgwick compared countles in which Topeka and Kansas City are located. The indebtedness of Shawnes county is \$547,000 and that if Wyandot! county is \$350,000 both of which amounts are larger than that of Sedgwick county The different townships in the county are also in good shape individually

Wichita township cleared off all its remaining debt July 1st when the \$10,000 worth of Ft. Scott, Whichita and Westerr railway bends were paid off. Several townships have small debts but in every case conditions are such that they can be met when due. During the past year the running ox censes of the county were reduced greatly with no special reason except econom

on the part of the county officers. Th reduction made during the year amounts to \$14,00). The records show the indebt-Wichita Was Made Permanent Recruit- \$179,000. It also shows that the taxable values of property in the county amount to a total of \$11,601.463.

### PLANT IS ON ROAD.

Asphalt Mixer Expected Here This Week.

Superintendent McDermott of the Barber asphalt company who has charge of the paving on West Douglas avenue expects the paving machinery to Wichita within a few days and within two weeks after the machine reaches this city one half the paving of the street will be completed. The machine which is a portable one was shipped from Buffalo May lith, and two weeks was ample tim for it to reach Wichita but it was tied up in the floods and tracers have so far failed to reveal its location. The machine is expected to arrive here this week.

This portable asphalt plant is mounted on two seventy-foot cars with a sixty foot baguage car to store machinery and as an office. On one car is the engine and mixed and on the other the asphalt tanks and mixer is found. The plant when set up is a large concern with the big wheels stirring the sand, cement and asphalt to-Will Give Concert on Masonic Home gether and heating the mixtures. In an ordinary days run the machine will precare about fifteen hundred yards of pave-
